

# Having someone round to your house

## Dialogue prompts for role play

**Host** : Please come in.

**Visitor** : Thank you. This is a nice house.

**Host** : Can I take your coat?

**Visitor** : Yes, thank you

**Host** : Have a seat.

**Visitor** : Thanks.

**Host** : Would you like a tea or a coffee?

**Visitor** : A tea please.

**Host** : How do you take it?

**Visitor** : Milk, no sugar.

**Host** : Would you like a biscuit?

**Visitor** : Yes, please.

**Visitor** : So, how long have you lived here?

**Host** : For two years now.

**Visitor** : Oh. Do you miss Poland?

**Host** : Yes, but I like it here as well.

*(Now think of some questions you can ask your host and put them to your partner. You could ask about kids, hobbies, their job, education, etc.)*

**Visitor** : Well I must go now.

**Host** : Ok, thanks for coming round.

**Visitor** : Ok. Thank you for having me. You must come over to mine sometime.

**Host** : Yes, that would be nice.

**Visitor** : Right, bye then.

**Host** : Bye, take care.
